Come and Dine Out with Subaru!

This April, Subaru of America, Inc. will proudly serve as a Host Sponsor of Dining Out For Life® for the twelfth consecutive year. Dining Out For Life is an annual fundraising event that raises money for community-based organizations serving people living with or impacted by HIV. This event draws over 300,000 people to 3,000 restaurants in 60 cities across North America.

How you can contribute:

Dine at a participating restaurant and that restaurant will donate a generous portion of the day's proceeds to fund HIV/AIDS care, prevention, education, testing, counseling and other essential services in their city.

To learn more about your region's event and to make a reservation, visit www.diningoutforlife.com and click on the *Find Your City* tab.

"The wonderful thing about Dining Out For Life is you can sit down and have a meal with someone interesting, someone you love, maybe someone you haven't seen in a while. And, it's an opportunity to have a conversation. The fight against this disease begins with real, honest conversation."
